Dear Sirs

As you know, periodic actuarial reviews are carried out of claims history and future claims expectations to ensure the validity of the Payment Percentages. One such review is now ongoing. As a result, there will be a suspension of any payments from the Trusts, in accordance with Clauses 3.2, 4.4 and 5.5.6 of the Trust Distribution Procedures with effect from 12 July 2014, pending the outcome of the review. The suspension also affects second dividend payments.

You will be advised of the outcome of the review, and any amendments to the Payment Percentages, as soon as possible. In any event, the review will be completed by 12 October 2014.

In the meantime, you should still submit proof of claim forms on behalf of your Clients, although these will not be processed and paid until the review has been completed.

Thank you for your co-operation in this matter.

Yours faithfully

Anne O'Keefe  
Director
